

LEAVING THE UK FINANCIAL PLANNING CHECKLIST

2026/27 EDITION

What to review before becoming non-UK resident.

Before you leave: residence and tax

Leaving the UK does not automatically make you non-resident. Apply the Statutory Residence Test and consider whether split-year treatment is available.

WHAT TO CONSIDER

- Model UK days and ties for the departure tax year and following year.
- Understand which UK income may remain taxable after departure.

PLANNING FOCUS

- Review the new residence-based rules for foreign income and gains if a later return is possible.
- Keep travel, accommodation and work records.

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Investments, bank accounts and pensions

Some providers restrict services once a client becomes resident overseas. Check access before moving.

WHAT TO CONSIDER

- Confirm whether banks, platforms and advisers can continue serving you in the destination country.
- Review ISA treatment locally; tax-free status in the UK does not mean tax-free abroad.

PLANNING FOCUS

- Check pension contribution eligibility, future withdrawals and local tax treatment.
- Avoid unnecessary pension transfers driven only by the move.

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Property, wills and protection

UK property remains within important UK tax and reporting rules even when the owner is non-resident.

WHAT TO CONSIDER

- Non-residents can still have UK Capital Gains Tax reporting obligations on UK land/property.
- Review mortgages, letting arrangements and insurance if a UK home is retained.

PLANNING FOCUS

- Update wills and powers of attorney for assets in more than one country.
- Review life, health and income protection for international validity.

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Departure checklist

A coordinated departure plan reduces the risk of fixing one problem while creating another.

WHAT TO CONSIDER

- Residence position documented?
- Destination-country tax advice obtained?
- Investment providers notified and service confirmed?

PLANNING FOCUS

- Pensions, beneficiaries and estate documents reviewed?
- Property, bank accounts, insurance and currency needs mapped?

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Your next-step checklist

Use this as a discussion framework with your adviser; it is not a substitute for personal advice.

BEFORE YOU ACT

- ☐ Model UK days and ties for the departure tax year and following year.
- ☐ Confirm whether banks, platforms and advisers can continue serving you in the destination country.
- ☐ Non-residents can still have UK Capital Gains Tax reporting obligations on UK land/property.
- ☐ Residence position documented?
- ☐ Confirm relevant tax, legal and regulatory implications before making irreversible changes.
- ☐ Document the agreed action plan and review date.
