Define what you want wealth to achieve

Intergenerational planning is not only about minimising tax. It is about deciding who should benefit, when, and with what level of control.

WHAT TO CONSIDER

- Separate lifetime support from inheritance objectives.
- Consider education, housing, business and charitable goals.

PLANNING FOCUS

- Balance helping the next generation with retaining enough for your own lifetime needs.
- Discuss expectations where appropriate so beneficiaries understand the plan.

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Gifting and allowances

GOV.UK confirms a £3,000 annual IHT gift exemption, with additional exemptions available in some circumstances. Larger gifts may remain relevant to IHT for seven years.

WHAT TO CONSIDER

- Keep a record of gifts, dates and exemptions used.
- Do not give away assets you may later need for income or care.

PLANNING FOCUS

- Gifts can create Capital Gains Tax or local tax consequences even where no immediate IHT is due.
- Regular gifts from surplus income have specific conditions and record-keeping requirements.

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Pensions, trusts and insurance

Different structures provide different levels of control and tax treatment.

WHAT TO CONSIDER

- From 6 April 2027 most unused pension wealth comes into the estate for UK IHT purposes.
- Trusts can help control timing and use of assets but involve legal, tax and administrative responsibilities.

PLANNING FOCUS

- Life insurance may provide liquidity for estate liabilities when structured appropriately.
- Wills and beneficiary nominations should be coordinated rather than considered separately.

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Legacy checklist

A good legacy plan is documented, affordable and kept up to date.

WHAT TO CONSIDER

- Up-to-date will and powers of attorney?
- Gift history and exemptions recorded?
- Pensions and beneficiaries reviewed for 2027 rules?

PLANNING FOCUS

- Trusts still fit purpose and comply with reporting obligations?
- Executors and family know where key information is held?

ELYSIUM PLANNING POINT

The right approach depends on your objectives, time horizon, tax position, residence status and wider financial plan. Review the decision in context rather than in isolation.

Your next-step checklist

Use this as a discussion framework with your adviser; it is not a substitute for personal advice.

BEFORE YOU ACT

- ☐ Keep a record of gifts, dates and exemptions used.
- ☐ From 6 April 2027 most unused pension wealth comes into the estate for UK IHT purposes.
